Lessee agrees to rent the Poly Tank(s) described in this Rental Agreement under the terms and conditions set forth on the face and on the reverse side hereof, for a term beginning on the date hereof and ending on written or oral notice of termination given by either party to the other.

All liquids to be stored by lessee in the tank(s) must be represented in, and storage conditions must conform to the General Chemical Resistance Chart published under separate cover. Chemicals and conditions not listed must be approved by Poly Tanks management before placing the tank(s) into service. Lessee will not tamper with or remove pressure/vacuum relief valves provided on Vapor Proof tanks. Liquid Level gages provided on some tanks are indicators only, and are not to be used exclusively to gage each tank's contents.

Lessee has inspected the tank(s) rented pursuant to this Rental Agreement after their installation by Poly Tanks, Inc., acknowledges that the tank(s) are in good condition and that the installation is accepted by Lessee.
